

**DOGS VICTORIA  
RALLY TRIAL  
JUDGES TRAINING SCHEME**

**This is the Dogs Victoria Rally Judges Training Scheme for 2023/2024 which is based on the ANKC National minimum standards adopted in June 2012**

## 1. OVERVIEW

- 1.1. Australian National Kennel Council Ltd (ANKC) Member Bodies will be responsible for the Training, Testing, Assessment and Maintenance of Judging licences. Accordingly, in the State of Victoria, these matters are the responsibility of Dogs Victoria and in this document the term “ANKC Member Body” generally means Dogs Victoria. The Obedience, Tracking and Endurance Committee (OTEC) will normally conduct Training and Assessment on behalf of Dogs Victoria.
  
1. The OTEC will assess Trainee Rally Judges in the following classes consecutively:
2. Novice, Advanced, Excellent, Master.
3. Trainees may elect to attempt Novice and Advanced in a single year, followed by Excellent and Master in separate year. Alternatively, they may attempt Novice, Advanced, Excellent and Master in a single year.
4. The OTEC requires all trainees to pass a written examination prior to attempting a practical assessment for each class. The written examination is based on ANKC Rules pertaining to the class being trained for, as well as Dogs Victoria Regulations and general requirements of the Rule Book for the Conduct of Rally Trials.
5. If an ANKC Member Body requires a higher standard than the ANKC Minimum Standards, the ANKC Member Body’s Regulation/s will take precedence over the ANKC Minimum Standard/s.

## 1. APPLICATION

- 2.1 All applications for Rally Judges Licences must be made on the required application form by the date specified by Dogs Victoria. All requirements for specific classes must be fulfilled prior to the applicant undertaking Oral or Written examination and practical assessment. Dogs Victoria has the right to seek verification of any information provided by the applicant.

All applications/expressions of interest by Dogs Victoria members for licences to judge any of the OTEC disciplines eg. Obedience, Rally and Endurance Tests must be made on the required application form prior to 1<sup>st</sup> October each year.

Completed applications, including evidence that the relevant training, judging and stewarding requirements have been fulfilled, must be submitted to Dogs Victoria by 1<sup>st</sup> November of the relevant year. Where special circumstances occur, the OTEC has the right to allow otherwise eligible trainees to enter the scheme at an alternative date.

A log book will be maintained to record achievement of goals by each trainee, e.g. details of relevant training, including training and assessment forms, signed by the trainers, attendance at lectures, written and practical assessment results.

With the exception of training and handling a dog, all prerequisites must be completed within twelve (12) months prior to the Written Examination. (Note special condition pertaining to Judging appointments).

The prerequisites for training and handling a dog have no specific time limitations.

Requirements used to fulfil a licence application can only be used once.

The onus is upon the applicant to provide evidence of having fulfilled the necessary criteria.

## 2. ELIGIBILITY

### 2.1 The Applicant must:

- 2.1.1 Be a member of an ANKC Member Body for at least 5 years prior to the application and be a current financial member of Dogs Victoria;
- 2.1.2 Be over eighteen (18) years of age; and
- 2.1.3 Reside in the State of Victoria, unless special permission has been obtained. See 3.4

### 3.2 Trainees are expected to attend all lectures and practical training sessions as approved by Dogs Victoria. Trainees will also be required to educate themselves by studying the Rules for the Conduct of Rally Trials.

Non-attendance at required lectures will preclude application for a licence, unless a written apology acceptable to the Obedience Tracking and Endurance Committee (OTEC) is received within seven (7) days of the relevant lecture. If the apology is accepted, the Judges, Training and Assessment Co-Ordinator will make alternative arrangements for delivery of the lecture

### 3.3 Dogs Victoria/OTEC may approve applications received from members who do not meet the above criteria providing that they are permanent residents of Australia and can effectively demonstrate and produce documentation verifying their experience and qualifications to meet the above standards gained in a previous country of residence.

### 3.4 Subject to the agreement of both the Trainee Judge and ANKC Ltd Member Bodies, a person may be approved to enrol in a Rally Judges Training Scheme conducted in a geographic location more convenient for that person.

### 3.5 To be eligible to apply for a Rally Judges licence:

#### 3.5.1 The applicant has personally trained and trialed a dog to a minimum of one pass at Rally Advanced level.

### 3.6 The OTEC has provision for trainees who cannot attend a lecture, structured training, or written or practical assessment on the appointed date. Where there is a reason acceptable to the OTEC, other arrangements will be made for that trainee.

Alternatively, where a trainee has completed the required training to the satisfaction of their mentor, trainers and the Judges Training Co-ordinator, they may be assessed at an earlier date. This may not always be feasible, but such arrangements may be made where it is practicable.

## **METHOD OF EDUCATION (SELF EDUCATION)**

- 4.1 Trainees will be required to educate themselves by being conversant with the Dogs Victoria Rules and Regulations relevant to Rally trialling and updates to the Rules for the Conduct of Rally Trials.
- 4.2 Trainees are to attend all lectures and practical training sessions unless otherwise approved by Dogs Victoria.
- 4.3 Trainees will also be required to educate themselves by studying the Rules for the Conduct of Rally Trials.

A total of 18 dogs if a Trainee elects to do only two levels.

At least three dogs from each level must be judged at a structured training session organised by the OTEC Judges Training Panel.

Evidence of at least two nested courses for Novice, Advanced, Excellent and Masters shall be provided.

Or if two levels are elected, two nested courses for Novice/Advanced or Excellent/Masters.

NOTE: To maximise the desired educational experience, training should be done over a period of time. Judging of no more than three dogs at each level, shall be documented at any individual training session.

5.2.2 Advise the trainees of ways in which they feel the trainee's judging could be improved;

5.2.3 Sign the Trainee Judges Practical Training Form after completing details of suggested judging modification or reinforcement of the trainee's judging.

- 6.2.1 Details, including Affiliate and date, of 3 stewarding appointments at sanctioned Rally trials.

## **7. WRITTEN EXAMINATION**

The pass mark for this examination is a minimum of 80%.

- 7.1 Two Training Panel members appointed by OTEC are to be allocated to invigilate/supervise the written examination (they are not to mark any papers). At least one Panel member shall be in attendance at all times. In the case of an oral examination one invigilator shall be appointed.
- 7.2 The marking is to be undertaken by judges appointed by the OTEC to the Judges Training Panel. Examination papers will be marked independently. The trainee must receive a pass mark by the majority of the markers in order to achieve a pass.
- 7.3 The examination papers must be marked by at least two and if necessary three examiners.
- 7.4 The trainee must pass the Written examination in order to undertake the Practical Assessment.
- 7.5 Examination papers shall consist of questions as set by the OTEC for the relevant classes.
- 7.6 Trainees who have failed a Written examination may make a written request within 14 days of the advice of the results for their paper to be reviewed. A different panel of three markers appointed by the OTEC from the Judges Training Panel will, without conferring, separately remark the papers.
- 7.7 All questions with incorrect answers will be supplied to the trainee with the correct answers.

**Please note that the above-mentioned regulations may change annually.**

**Dogs Victoria Regulations are available on the Dogs Victoria website; or from the Dogs Victoria office on request. It is the trainees' responsibility to ensure that they are aware of the current Dogs Victoria regulations applicable to the relevant discipline.**

**All judges and trainees MUST be familiar with the regulations in regard to dog incidents.**

## **8. PRACTICAL ASSESSMENT**

- 8.1 The trainee must pass the Written examination in order to undertake the Practical Assessment.
- 8.2 The following are the requirements for a pass in the Practical Assessment:

8.2.5 A majority of assessor's recommendation is required to pass.

8.2.5. Assessment sheets will be completed and submitted to Dogs Victoria for written notification to the trainee of their results.

## 9. RE – ASSESSMENT

- 9.1 Trainees who do not pass the Practical Assessment may apply for re-assessment. Dogs Victoria is not obligated to automatically agree to a re-assessment and each case should be reviewed on its merits. Any reassessment should be held at a mutually agreed time not earlier than three months or later than six months following the original assessment. The Judges Training Panel must take into account the need for further practical training of the trainee and the availability of suitable handlers/dogs and facilities.

## 10. DRESS CODE

- 10.1 While Trainees need not comply strictly with a Dress Code at all their Practical Training Sessions leading up to their assessment, they should meet generally acceptable standards (i.e. neat, sensible clothes, appropriate footwear, no thongs etc.) when judging at 'non-sanctioned trials'. However, the Practical Assessment is a formal occasion and must be treated in the same manner as a sanctioned Rally Trial. As such, the Trainee must display an appropriate form of dress befitting an official at such an event and they will be marked accordingly.

## 11. FITNESS TO JUDGE

- 11.1 ANKC Ltd Regulations Part 2, Point 1.3 states;
- 11.1.1 All Judges Application Forms, both new and renewal, shall contain the following declaration to be signed by the applicant:

## **Rally : JUDGES LECTURES**

Judges Lectures are delivered on an annual basis for each discipline and are a compulsory part of the Judges Training Scheme.

There will be one lecture held late in the year and one lecture early in the year. It is strongly suggested that both these lectures are attended, with the October one being a priority, unless approval of the OTEC is obtained.

**Lecturers** are nominated by the Obedience, Tracking and Endurance Committee (OTEC) of Dogs Victoria on the basis of experience in judging and general involvement in the discipline concerned.

Lectures are designed to cover:

- Dogs Victoria Regulations relevant to the discipline
- Requirements of the Judges Training Scheme
- ANKC Rules
- Judges' responsibilities
- Course design including nesting of courses as required
- Planning and setting out of ring
- Instructions to stewards and other relevant people
- Practical judging procedures

Lecturers are requested to prepare notes or handouts or refer to references to guide the trainee judges. The Dogs Victoria office is able to provide copying facilities.

### **CRITERIA FOR DISTANCE LECTURES**

1. Applicants must apply, in writing, prior to the scheduled lecture date for approval to have a lecture held away from the metropolitan area.
2. The Applicant must reside in excess of 100 kilometres from the lecture centre.
3. Approvals will be subject to the availability of the lecturer.
4. If OTEC grants this approval, the applicant(s) will be responsible for organising a suitable venue for the dates offered. Alternatively, arrangements may be made to hold the lectures electronically, by phone link or a mixture of both.

All costs will be the responsibility of the trainee. Most lectures are now by Zoom.

### **CRITERIA FOR DISTANCE WRITTEN EXAMINATION**

1. Applicant(s) are to indicate a preference for distance written examination on judges applications/expression of interest form, submitted on 1<sup>st</sup> November.

## PROCEDURE FOR PRACTICAL RALLY JUDGES TRAINING

### **Training and assessment panel appointment and tenure**

Training and assessment panel members will be invited by the OTEC. The invitees will be licensed and experienced Rally Judges who are both current and active in regard to judging at Rally trials. The tenure of a training and assessment panel member will be a minimum of three (3) years. Please note that a current serving member of the training and assessment panel will be eligible to be reinvited by the OTEC for a future tenure period. Panel members and the role they fulfil are integral to the success of the OTEC Judges training scheme.

Panel members should be available to all trainees for advice and training. By negotiation they may agree to mentor an individual trainee.

They should be available to attend structured workshops and, if required, the Practical Assessment. Where training and assessment panel members are involved in an assessment panel where a review is required, they must make themselves available for that review, at a mutually agreed venue and time.

For the structured training workshops, each panel is to be comprised of at least two training and assessment panel members, one of which is from the OTEC.

*Training panel members may act as stewards and have involvement in group discussions.*

Assessment sheets will be available to each applicant, and it is their responsibility to supply the assessment sheets for use at the unstructured workshops.

The OTEC has instituted a **Mentor system** supported by **Class leaders** to assist in the training of judges for Obedience, Rally, Endurance Test and Tracking.

Each trainee will have a mentor from the training panel chosen by mutual agreement. That mentor will be expected to take a special interest in that trainee and take a major role in developing their skills.

Mentors should be available for their trainees to offer advice and training. It is suggested that mentors provide trainees with a list of dates where they are contracted to judge and a list of dates where they will be available for training sessions. Trainees are in turn encouraged to make every attempt to attend trials where their mentor is judging so they can observe and ask questions as required. The mentor and the class leader should be the main source for advice. There has been some confusion at times when trainees have asked many different opinions and received different answers. There is always more than one interpretation of a problem and too many opinions can cause confusion especially with less experienced trainees.

**A Class leader** will be appointed for Rally. The Class leader will be asked to prepare written notes for their class and to lead the small group at the two lectures, which would be held at the beginning and at the end of the training period each year. They are also encouraged to liaise with the mentors within their class to provide continuity of advice and to assist in general training. One approach has worked well. it was an email question and answer exchange.

There will be one general lecture late in the year, for all applicants. This lecture would cover the training requirements for that year plus the glossary and regulations, which relate to all licences. Then, the Class leader will go over the prepared notes for the class and basically run a tutorial small group session.

The second lecture will have a general component where the requirements for training will be reviewed, and then trainees will break into small groups led by the Class leader for a final revision prior to their assessments. The second lecture is strongly recommended, as a final revision is very useful especially in regard to questions and answers in the group situation.

## PROCEDURE FOR RALLY JUDGES PRACTICAL ASSESSMENT

The following instructions are provided for the information of Trainees, Stewards and Assessment Panel members. It is intended that all officials and trainees be provided with a copy of these instructions prior to the day of the Assessment. The successful conduct and outcome of this assessment is largely dependent on compliance with the following:

- It will be the responsibility of the appointed convenor to arrange the venue, dogs, handlers and stationery. Suitably qualified dogs are necessary to enable all candidates to be properly and fairly assessed.
- Each ring will be free standing. i.e. there will not be a common rope dividing any two rings.
- Panel members will comprise members of the OTEC and licensed judges from the current Judges Training and Assessment panel appointed by the OTEC.
- The members of each panel, together with the stewards will be arranged by the convenor.
- The same panel will assess all trainees aspiring for a particular licence.
- Assessment times will be staggered if considered necessary.
- The stewards must be experienced for the class in which they will be required to assist; apart from their nominated duties, stewards must not become involved in the assessment proceedings.
- **The assessment panel must not move around unnecessarily and shall be positioned so that they can independently assess each dog.**
- **While the necessity of brief discussion between the panel members for the purpose of clarification is understood, there must be no collaboration or unnecessary discussion between the panel members prior to their scores being recorded.**
- **Each panel member's score must be entered on an Assessment Sheet immediately the exercise is completed, prior to interviewing the trainee. Should an alteration to the panel member's score be necessary because of circumstances unknown at the time of its recording, the amended score is to be initialled and the reasons for the alteration stated in the comments column.**
- The trainee will record his/her points on a score sheet, which must be signed.
- Three dogs at each level are usually sufficient to assess each candidate. This does not preclude additional dog/s being given to a candidate to score should circumstances warrant.
- At the completion of the assessments, the panel members shall not confer. Each panel member will individually make a recommendation as to whether the trainee has passed or failed. The Assessment Sheet is then completed and handed to the convenor.
- Alterations to Assessment Sheets must include time, date and signature.
- Trainees will not be advised of the outcome of the assessment on the day.
- The convenor is responsible to notify the Controlling Body of the results.
- The Controlling Body will promptly advise the trainees and all results must remain confidential until such time as all trainees have been notified.
- The necessity to question candidates with regard to the awarded score is appreciated. Panel members must understand that prolonged and intimidatory questioning and particularly "what if" situations are inappropriate and must not be carried out under any circumstances. Stress on the candidate must be minimised, and the dog and handler should be able to complete the exercises without unnecessary delay.

Unsuccessful candidates may request a review of their practical assessment, subject to meeting the published criteria. Panel members should be available to attend review interviews on an "as required" basis. Outside of the interview process, the assessments and their results must not be discussed by the Panel Members.
