

Dogs Victoria Breeder Series

Breeding Clearance Certificate for Bitches 8 Years or Over

20.1.14.3 All bitches eight years of age and over at the time of a mating must have a current veterinary certificate stating that the bitch is in good health at the time of breeding. This certificate must be presented at the time of registration of the litter resulting from this mating. A current veterinarian certificate is defined as being within three months prior to the mating.

VETERINARIAN'S DECLARATION

As a Registered Veterinary Practitioner, I have today performed a general health check on the breeding female identified above. I have found her to be in good general health, with no obvious signs of physical, behavioural or genetic disorders that would preclude her from being bred
