Best Puppy Masculine brindle dog. Lovely bone and substance. Correct outline. In excellent condition

General Comments Most in great physical shape.

MRS S DESSERNE

GRIFFON BRUXELLOIS

Best of Breed: A superb dog, short, compact, beautiful head, line of nose, eyes everything in the right place, perfect coat texture.

The pleasing expression in the beautiful dark eyes. Well angulated, excellent movement and topline. One to take home.

Best Puppy: Still very puppy, full of character. Short compact with a lovely head and expression. Moves well for age.

General Comments: Very impressed by the breed, the best I have every judged all together. It is more than one excellent one, but a lot of perfect image of the breed, small, compact perfect size and lovely expression.

ENGLISH TOY TERRIER

Best of Breed: Strong but elegant and very well built. Perfect topline, typical of the breed, lovely head, well tapered and full under the eye. Superb flame erect ears. Lovely neck into a perfect shoulder placement. Excellent feet, perfect marking and movement.

Puppy: A very promising puppy, already a star in the ring. Lovely head, superb expression, moves with style. Excellent angulations, feet and markings.

General Comments: Another breed of excellent quality, so typey and stylish. Lovely head and neck for the majority of breed.

CHINESE CRESTED DOG

Best of Breed & Best Puppy: A puppy of correct size and shape. Lovely skin pigmentation. Pretty head, needs a bit more pigmentation on the nose. Moved very well. Well feathered. Correct type.

General Comments: The breed is correct type and most of them are lovely, a bit different in size and a bit shy which is a pity but is in the breed. Generally, nice movers.

RUSSIAN TOY (LH)

Best of Breed: A typical Russian Toy with correct length of legs and typical head. Correct proportions skull to muzzle. Could move better.

General Comments: This is a difficult breed. Needs to have more dogs to improve type and movement.

RUSSIAN TOY (SC)

Best of Breed: Very correct proportions head and body with a lovely head and large eyes and correct movement.

General Comments: Difficult to judge the breed with only one example but the type was ok.

COTON du TULEAR

Best of Breed and Best Puppy: A lovely young bitch with the perfect head proportions, lovely pigmentation and muzzle.

Excellent typical topline slightly rising over the loin. Excellent mover and perfect coat more has to come but she is just a puppy.

General Comments: One lovely exhibit but with very correct type.

AUSTRALIAN SILKY TERRIER

Best of Breed: An excellent type of the breed with correct head and type. Perfect erect ear and good bite. Well made with excellent angulation. Moves well with excellent topline.

TIBETAN SPANIEL

Best of Breed: Correct in size and condition but the head could be better, eyes a bit too rounded and wrinkle are not what we would want in the breed. Moves well good topline, correct proportions skull to muzzle.

General Comments: The breed should improve in the head with more almond shape eyes and no wrinkle, but muzzle are better.

YORKSHIRE TERRIER

Best of Breed: A perfect male dog in full condition. Correct head, lovely expression. Nice full body. Correct shoulder and neck. Moves well with good tail carriage. Nice coat color and texture and tail.

General Comments: Difficult to have an opinion with so few examples of the breed, but the two winners were of good type and coat, lovely head and happy mover.

POMERANIAN

Best of Breed: Very beautifully made dog, short with excellent proportion of height and short compact body. Pretty head with correct shaped eyes. Very pretty expression and moved well going and coming. Perfect tail set and carriage.

Best Puppy: Correct puppy, pretty head compact enough. Moves ok

General Comments: the breed is very lovely in type for the winners. Excellent coat and head. Some a bit too rounded in the eye and the young one needs more training. Some movement slightly too close behind.

TENTERFIELD TERRIER

Best of Breed: Quite new for me but I love the construction, neck and attitude of this breed. Looks really like a show dog. Perfect shoulder and nice muscle just enough. Correct head. Very stylish.

Best Puppy: The puppy is my Runner Up Best of breed also really well built. Excellent front and muscle. Excellent chest and moved very well.

General Comments: Very pleased with the breed, they have lovely neck and shoulders. We can really see where they come from and they look really fit for function.

PAPILLON

Best of Breed: As soon as he came into my ring, I loved him. Full of life, beautiful head and expression. Nice proportions of body. Excellent angulation fore and behind. Moved with style, elegance and power.

Best Puppy: Lovely puppy bitch with exquisite head, lovely expression and perfect ear set. Moved well

General Comments: I was spoilt for quality, many nice dogs. Top Papillons, I could have chosen several but I fell in love with my winners. They could compete anywhere in the world.

PEKINGESE

Best of Breed: Beautiful condition for my best of breed with a large face, dark eyes, good pigmentation, flat skull. Excellent bone, compact enough with at good chest and lovely size. Moves well, excellent front and topline. Good nostrils.

Best Puppy: The puppy is very pretty with an expressive head. Full of life, well coated. Excellent bone, nostrils open. Moved well.

General Comments: Some lovely dogs in good condition, that move well and breath ok. Only one was a bit extreme in type with too long wrinkle and too heavy.

JAPANESE CHIN

Best of Breed: A dog to die for! I got goosebumps up my arms. I love him, he is the perfect image of a Chin. Wonderful head and perfect outline, lovely bone, perfect hare feet and condition. Moves like a dream.

Best Puppy: This one I wanted to put in my pocket and take it home. He is a star already and son of the best of breed winner. Short perfect body, bone and chest. Exquisite head and on top of that he is a show man.

General Comments: All dogs from the same breeder but she has superb dogs that show well and are in top condition. Beautiful heads and construction.

BOLOGNESE

Best of Breed: It is a surprise to find a good Bolognese here. Absolutely correct type, very nice head and short very compact. Excellent pigmentation. Extremely good texture of coat and lovely expression.

Typical short movement.

General Comments: Congratulations to this breeder. To have the true quality of Bolognese – head, body, movement and fantastic coat texture.

BIEWER TERRIER

Best of Breed: Difficult breed. Best of breed is a bitch of correct type, moves OK. Coat texture OK.

General Comments: The breed needs to improve in type and colour, but no doubt the breeders will work on it.

KING CHARLES SPANIEL

Best of Breed: A lovely bitch with lovely head, good dome, eyes well set. Correct ears, nice topline and movement. Just would like a bit more chest, rounded, could be more cobby.

General Comments: A very difficult breed all over the world. My two winners were very typical, just remember they should be compact.

BICHON FRISE

Best of Breed: Lovely short compact dog (but not square), good quality, love head.

Excellent shoulders, big dark eyes. Excellent coat texture, moves with drive and style. A really lovely dog.

General Comments: A beautiful breed, not enough here today, but a real quality one with the perfect shape of the breed, pigmentation and movement.

LOWCHEN

Best of Breed: Beautiful dog, beautiful head, lovely dark eyes, perfect shape, front and rear angulation. Excellent coat texture and he moves like a dream.

Best Puppy: Lovely puppy, well shaped, excellent angulation very pretty head. Lovely coat texture, moved well.

General Comments: Lovely breed here in top condition. Nice head and shape, excellent coats. Some of them could improve in movement.

MALTESE

Best of Breed: Just one, but a worthy one. Beautiful head and expression, very dark eyes. Excellent pigmentation, good front and rear. What a lot of work on this dog, in tip top condition. Moves very typically with style.

General Comments: Only one for this breed. There is so much work to keep in tip top condition, but this one was an excellent example of the breed, sound and beautiful.

CAVALIER KING CHARLES SPANIEL

Best of Breed: Outstanding ruby dog, beautiful head, the biggest dark eyes ever. Excellent proportion skull to muzzle. Excellent ear set. Excellent topline and moves like a dream with the perfect tail set and carriage. Both rear and front perfect angulation. A little shorter in loin and we have the perfect Cavalier.

Best Puppy: Lovely Blenheim puppy, excellent shape and proportions. Pretty face of excellent proportions. Level topline and moves well. Excellent ears and tail set.

General Comments: a beautiful breed, I was expecting more dogs but I had some beautiful ones I fell in love with. The Ruby dog surprised me with his gorgeous head and conditions. My two winners moved like stars.

COCKER SPANIEL (AMERICAN)

Best of Breed: Extremely nice dog, a lovely head and perfect expression. Nice neck and shoulder, perfect feet and short back. Excellent topline. Typical of the breed. In top condition and moves like a dream. Very lovely.

Best Puppy: Nice puppy just a bit naughty one the move but a good type.

General Comments: Beautiful competitors, almost all black. The perfect shape and top condition. My winners were to die for.

BASSET FAUVE DE BRETAGNE

Best of Breed: A very feminine bitch in good coat and condition. Very typical head. Just a bit long in the loin. Happy to see her correct movement.

General Comments: Nice to see this breed here with correct type, just a bit too long in loin, but correct coat texture.

PETIT BASSET GRIFFON VENDEEN

Best of Breed: A lovely Petit Basset, the type is perfect. Beautiful head type. Excellent angulation front and rear. Excellent topline, the coat texture is superb and the movement so good to look at.

Best Puppy: A male puppy, very promising and already showing correct type. Excellent coat, exquisite front and rear. Very nice expression.

General Comments: A pleasure to see, but only a few. Lovely type of this French breed with the perfect attitude and coat for the breed.

GRAND BASSET GRIFFON VENDEEN

Best of Breed: Again an excellent typical GBGV with the perfect head proportions. Excellent neck, shoulders and topline. Exquisite rear angulation and divine perfect coat texture.

General comments: Sorry to have only one, but it a very typical example of the breed, type, head, coat and movement.

DALMATIAN

Best of Breed: I just loved my best of breed. Impressive boy, splendid head, masculine expression. Perfect shoulders and rear. Well marked and a free mover with a lot of drive and reach. Wonderful topline, just the tail could be a little lower in carriage, but a star.

Best Puppy: Another expressive boy, with a good reach and drive. A good mover, correct type and masculine, well muscled but still elegant.

GREAT DANE:

Best of Breed: For me still young, but the perfect image of the breed. Beautiful head with excellent proportions head to muzzle. Perfect front and rear angulation. Excellent topline and she moves like a star.

Best Puppy: At the bad stage at this moment. Losing his puppy coat but well balanced and moves well.

General Comments: Some lovely examples of the breed with powerful body, lovely head and good movement. Lovely topline, good condition. Also liked my runner up winner.

PYRENEAN MOUNTAIN DOG

Best of Breed: Beautiful dog in top condition with the perfect expression- eyes looking over the mountain. Slight stop. Excellent chest and rear. Moves very well.

Best Puppy: The son of my best of breed. Well made with lovely head and expression, moves well. Also in good condition.

General Comments: They were in tip top condition, maybe too over groomed for Pyrenean Mountain Dogs but a lot of good heads. I miss the typical carriage of tails. So important to show how sure of themselves they are.

GERMAN SHEPHERD DOG

Best of Breed: I love this bitch. She is absolutely well made. Perfect length of body, wither in the right place. Nice head, ears and eyes. Good front, excellent rear, very sound going around and coming. She moves freely with a strong drive.

Best Puppy: Only one puppy but a lovely head and expression. Strong bone, nice shape of body. Strong hind quarters. Moves well.

General Comments: Very sound dogs. Today, they moved well and nice shape.

Sometimes heads could be better, with darker eyes. But all over, very typical without exaggeration.

GERMAN SHEPHERD DOG (LSC)

Best of Breed: Again a beautiful moving bitch. She is very attractive, well made and moves very well. Just slightly more neck would finish the picture. In Top condition.

General Comments: Good quality, sound dogs again, correct in type and movement. Darker eyes a must.

WHITE SWISS SHEPHERD

Best of Breed: A beautiful Swiss Shepherd in lovely condition. Very well built front and rear. Nice head proportions with dark eyes and excellent pigmentation, lips, eye rims and nose. In top coat condition. He knows his job moves really well.

Best Puppy: A very promising puppy of excellent quality. Lovely head. A bit erratic sometimes on the move, but really beautiful.

General Comments: Pleased with my winners. Lovely type and condition, move well, lovely head, smooth stop, dark eyes and pigment.

CHOW CHOW

Best of Breed: Lovely black dog with excellent head, no exaggeration in type. He has a very typey head but open in eyes and the correct scowl. Compact and square, beautiful condition and pigmentation. Moves very typical with the stiff gait.

General Comments: Beautiful breed but sometimes over the top in type. We should pay attention about the health, don't go too far in type. Some need 2 – 3 cm length on legs.

BRITISH BULLDOG

Best of Breed: A strong boy but well balanced and lovely head. Strong head masculine with perfect mouth and lovely eyes. Needs a bit more pigment. Moves very well with the typical roach back and correct gait.

Puppy of Breed: A very promising puppy, very well balanced overall. Lovely face with perfect layback, nice bone. Stout and compact body. Shows like the perfect show girl.

General Comments: Some lovely dogs but very different in type, makes my choice difficult. Many lovely heads with correct mouth. Typical gait, movement and topline.

PORTUGUESE PODENGO SMALL (WIRE)

Best of Breed; A correct type, a bit too thin at this moment. He moves OK. The coat is correct but needs to be harder.

General Comments: Impossible to judge the breed with only exhibit. He was correct.

ITALIAN GREYHOUND

Best of breed: An outstanding dog of perfect shape, lovely long head and strong jaw. Long nice neck going into the perfect outline. Excellent rear angulation, moving front and rear parallel. Lovely marking. My bitch challenge winner was also a dream, a difficult choice, as she is elegant and so stylish – a queen.

Best Puppy: The best puppy is a daughter of my winner. Exquisite female, lovely head and shape. Just has to settle a bit in front but she is lovely.

General Comments: I was so impressed by the quality of the breed. Splendid heads with long muzzle and strong jaw. Happy to have judged so many of quality, lovely outline. My line up in both sexes were to die for. Thanks to the breeders for their work.

HAVANESE

Best of Breed: Typical picture of the breed, with the correct head, good proportions of skull to muzzle, correct front. Typical topline, slightly up in the loin. Correct coat texture and head carriage, front and rear movement.

Best Puppy: A really pretty puppy of good structure and pretty face with dark pigment. Moves very well for age and good coat texture.

General Comments: Some lovely dogs but please stop grooming them like a Maltese or Lhasa. Don't forget the topline should lightly rise to the loin and coat texture is not too silky, but a bit more woolly and help to give the right figure of the breed.

PUG

Best of breed: Lovely picture of the breed. A very handsome dog. So lovely in head, eyes black, nose placement just perfect, beautiful mouth. Lovely expression, black pigment eyes, ears, toes. Very short and compact, body good, strong neck, perfect topline and tail set. Moves well.

Best Puppy: Very pretty puppy bitch, could go for the challenge also. Lovely head, eyes and expression. Flat skull, nice short compact body, moves very well with super topline.

General Comments: Many lovely examples of the breed, spoilt for choice. Excellent heads, ears, most compact. They show and move beautifully.

CHIHUAHUA (SMOOTH COAT)

Best of Breed: A lovely boy with nice apple head, lovely eyes. Excellent proportion skull to muzzle. Excellent straight front, deep chest, compact body. Just needs slightly more rear angulation but moves like a dream with perfect topline and tail carriage. A show man

Best Puppy The head to die for. Beautiful eyes and expression. Perfect apple skull, lovely neck and front and rear. Moves well

General Comments: Some lovely dogs, very showy with style and nice tail carriage and lots of character. I like that in the breed. Excellent movement nearly all of them, good topline and some very pretty babies.

CHIHUAHUA (LONG COAT)

Best of Breed: My best of breed is a lovely shaped dog of perfect proportion. Lovely ear shape and dark eyes. Nice apple skull, could have slightly more cushions under the eyes but it is well put together with a short medium size body, good chest, nice angles front and rear. Perfect condition. Moved extremely well.

Puppy of Breed: The puppy bitch caught my eyes. She is a future star. Everything is already here. Beautiful head, lovely expression, perfect tail carriage and topline. Moved so well. Also gave her challenge bitch.

General Comments: Some good dogs, specifically in the males. The female with the exception of the challenge and reserve challenge winners were very shy. The boys were really outgoing in good shape and nice movers.

AFFENPINSCHER

Best of breed: I love him. A perfect picture of the breed. Short compact, lovely head and expression. Very compact, and short back, good spring of ribs. Moves with style. Excellent coat.

Best Puppy: Lovely puppy, pretty face with the right "monkey expression". Short and compact body moving very well with level topline. Correct coat texture and excellent character.

General Comments: Too few for me because I love the breed so much. Their 'monkey' expression, short compact body and so powerful in a small size.

MINIATURE PINSCHER

Best of Breed & Puppy of Breed

My best puppy was also my best of breed. Lovely shape with a nice reach of neck, lovely head and expression. Perfect shoulder placement. Excellent topline and moves so well front and rear with style and ring presence.

General Comments: The overall type was really nice in head and construction. Some of the movement rather erratic they have to work on it. My best of breed winner moves and shows well.

Mrs Carol Mulcahy

SCHIPPERKE

Best of Breed: Good breed character, shows good points of the breed. Small cobby, nearly square. Correct head, eye, ear placement. Good underjaw strong short neck. Balanced fore and rear. Cat like feet, correct texture to coat. Moved well, brisk and short stepping.

Best Puppy: Shows excellent breed type, short, cobby with sparkling bright eye. Correct front and rear. Moved well. Correct coat texture. Very bright future.

General Comments: Excellent breed type throughout.

SWEDISH VALLHUND

Best of Breed: True Vallhund characteristics, many good hallmarks of the breed. Correct shape, small powerful. Sturdy everything you want in a Vallhund. Correct head, eye and ear placement. Good long strong neck fittingly nicely into wither. Balanced front, feet and rear, feet short oval. Correct markings with harness mark. Free and active on the move
Best Puppy: Shows much promise and many good promising characteristics.
General Comments: Breed is consistent of type throughout.

WELSH CORGI (Cardigan)

Best of Breed: Correct size and shape for his breed type showing good characteristics, sturdy low-set, yard long dog. Head 3/5 correct eye and ear set. Excellent bite, muscular neck not over exaggerated in front. Defined waist, correct feet, round, light, low tail set on the move good coat texture.
Best Puppy: Showing much promise with good characteristics, excellent attitude.
General Comments: Very good overall type, a pleasure to go over them and find excellent overall dogs.

WELSH CORGI (Pembroke)

Best of Breed: Excellent quality, typical of his breed, low set sturdy, excellent head 3/5 proportions, correct eyes and ears, good underjaw. Correct length of neck, excellent chest. Neck long, flowing into topline, balanced front and rear. Moves with purpose. Feet correct, oval well arched. Excellent presentation.
Best Puppy: Showing much promise for a youngster. Plenty of breed characteristics, good attitude, moved well.
General Comments: Excellent breed type amongst all exhibits, was a pleasure to go over such quality.

BOSTON TERRIER

Best of Breed: compact with graceful manner. Correct marking, correct head – square. Excellent eye and ear placement. Moved with Terrier look front and rear. Balanced in body, correct feet, excellent shape. All Boston in appearance.
Best Puppy: Excellent young female, my bitch challenge winner, has a great future ahead of her. Correct in every area, Boston through and through.
General Comments. Best of Breed and all placing were of excellent type. Very good standard. I saw no breathing issues at all.

AUSTRALIAN KELPIE

Best of Breed: Excellent example of the breed. Showing excellent characteristics. The breed needs to work, well built with muscle, correct head, eye and ear placement. Excellent bone, feet are good working feet, coat double and showing good weather proofing with abundant undercoat.
Best Puppy. Black female, typical for her age and development.

AUSTRALIAN STUMPY TAIL CATTLE DOG

Best of Breed: Young bitch, very energetic, could work all day, good blue colour, good breed characteristics. Maturity will settle her down as very keen to move and work.

NORWEGIAN BUHUND

Best of Breed: Excellent quality, showing good breed characteristics – lightly built, compact in bod, wedge shaped head, correct head, eye and ear high placement and pointed. Moved with purpose, well presented.

AUSTRALIAN CATTLE DOG

Best of Breed: Excellent representative of the breed, showing good characteristics of the breed. Strong excellent head, strong jaws, strong deep excellent bite. Eye and ears placed well into head, strong neck powerful. Balanced front and rear, excellent bone and substance, good working feet. Correct texture to coat – double. Well muscled, moved like he could work all day. A real Cattle dog.

Best Puppy: Excellent example of the breed with many good breed characteristics. Should mature into a good example of the breed. I wish him well.
